

# WELCOME TO OSCAR

Tēnā koutou & Greetings,

I hope you are all doing well in your bubbles and enjoying the extra family time. Here is a wee newsletter to share some of the activities from the beginning of the term. The staff are missing having fun with your children every day and we hope to see you all again soon. Bridget

This term we have had Tiffany, Paige and Praneel start at OSCAR House Morning Programme - it has been wonderful to have these happy little rays of sunshine join us, bringing their joy and enthusiasm each day.

With the morning programme growing we have been lucky to have more staff - Elyssa, Miya and Sangeetha - join us too. All these staff also work in our afternoon programmes and bring a wealth of experience and fun activities to share.

This term we have done a few cool crafts. The Jelly fish puppets were super cute with little wool tentacles and googly eyes and they were proudly shown to friends and teachers at school.

Our new Foosketball game has been popular, it takes a little practice and skill to manoeuvre the players into position to be able pick up the ball and just the right technique shoot for the goal.

We also had a go at making some adorable pom pom hedgehogs. We have these great pom pom makers that make it super-fast and easy to create a wool pom pom. Some kids enjoyed it so much that they wanted to learn how to make them the old-fashioned way with a couple of cardboard circles. It takes a little longer but can easily made from cereal boxes and wool at home

### **MESSAGE FROM DALENA AND KELSEY**

*Kia ora to our OSCAR House whanau, COVID has certainly made an impact in all of our lives once again. We hope you are all healthy and safe and making the most of family time together.*

*As you are all no doubt aware, the fees have been refunded for the period of closure and will be reissued when we get back to Level 2. It's sad for our staff that they don't get to have a great time with your children during OSCAR hours and we hope it won't be too long until we are able to restart.*

*Until then, stay safe, stay strong and love one another lots.  
Nga mihi mahana,  
Dalena & Kelsey*
