

OSCAR House Junior Programme Parent Caregiver Newsletter 2023 Term 4

Tēnā koutou katoa & Greetings,

Well, summer is just around the corner and our weather is still unsettled but finally we are starting to have a couple a of really warm days.

We are nearly at the end of Term 4 and I have enjoyed being part of the junior programme with such a great bunch of children who are ready to give craft work a go. I love doing craft with the children and seeing their delight in what they make.

Recently, we played egg and spoon races but instead of eggs we used water bombs, then the children were allowed to throw and catch the water bombs - this was enormous fun.

Wishing you all a happy and safe Christmas/New Year

Kind regards,

Wendy

We have an ongoing goal to build a community for the tamariki at OSCAR House Juniors where everyone may come and be able to relax, build friendships, and have fun. A couple of ways we have done this is through amazing arts and crafts (thank you to Wendy) such as shell decorating (there were so many unique and imaginative designs), and using sticker charts to praise those who follow expectations well and for those who go above and beyond (be that looking after someone if they are upset or helping everyone pack up even if they did not play with the toy).

I am sure everyone is looking forward to a lovely break and we hope you all have a lovely Christmas and feel refreshed for the new year!

Kind regards,

Elyssa
