

Tēnā koutou & Greetings,

A Warm welcome to the morning programme - Nimrat, Braxton and Decklyn and to the afternoon programme - Patrick & Mariette. It has be wonderful to have you join us at OSCAR House.

It's been a big and busy year as the 4th term brings lots of special days. The tamariki created beautiful art and clay diyas for Diwali. They made cute paper plate pumpkins & fluffy ghosts for Halloween.

Now we are getting into the Christmas crafts starting with paper snowflakes - then a cool group art project using cardboard cut outs of the children's hands to create a Christmas Tree wall display. With Christmas music playing in the background, it has been a lovely start to the festive season.

For our active children we have played lots of stingaball, soccer, cricket, and ping pong. Hand ball has been a hit this term with many children keen to play all afternoon.

We say a sad farewell to our senior children moving on to new schools and new adventures. It has been wonderful working with you over the years and watching you grow and develop into amazing, confident, and capable young people. Your strength in leadership and enthusiasm for fun & games will be greatly missed.

We will wind up the term with a bit of a party for the last day - a swim in the pool, yummy treats and fun games. Remember your togs!

I'm looking forward to time away with family and the yummy Christmas goodies. Wishing you and your whanau a wonderful and happy holiday - Bridget

Message from Dalena & Kelsey.

T4 Re-enrolment for next year

Please advise admin@oscarhouse.co.nz if your child will not be attending, or you are wishing to change their attendance sessions now. As usual, there is a two-week notification period so best to let us know now.

Look out for the emails coming soon with information about the end of year, Holiday Programme and 2024.

We wish you all a Meri Kirihimete and relaxing, joyful holidays over the festive season.
