

Tēnā koutou katoa & Season's Greetings,

We have warmly welcomed Patrick's little sister Pippen this term, Joy and Andy have returned for some visits and we welcomed Ada & Bodhi too.

Reward chart

This terms reward is a marble jar and staff look out for amazing behaviour throughout the afternoon – such as tidying up after themselves or doing something nice without being asked. Once the jar of marbles is filled all the kids of OSCAR will be rewarded with a marble jar party with yummy food and fun games.

Lately the kids at OSCAR have been loving baking and scavenger hunts. We have made are fudge, decorating cookies and rice bubble slice.

PARAGRAPH FROM SUPERVISOR

This year has been a busy year of being Supervisor with lots of changes going on in the school. We are very excited so have the whole hall back which the kids have been highly enjoying with more space to spread out and do different activities inside. I have been very grateful to have been Supervisor for these kids for the year and getting to know them even more and I can't wait to have this carry on for next year in between my studies as a teacher.

Coming up towards the end of the year we are sadly saying a farewell to a few of the Year 8's at OSCAR including Nathan, Cooper, Wills and Year 7 Rosie. It has been a pleasure knowing these kids and the OSCAR staff and children will very much miss them next year. I have been very grateful to see these kids develop over the past few years to become the awesome teenagers they are today and I am excited for what the future brings for this wonderful group.

Message from Dalena & Kelsey.
