Kia Ora, Talofa & Greetings to Parents/Caregivers & Whanau,

Welcome to the following children and their families to Oscar House Kelson:

Alexise, Gemma, Te Aria, Remy, Lakshmi, Rheva, Katie.

Our new children are settling in very well and we are very proud of our older children taking them under their wings. Teaching them our Oscar House favourite games and showing them the rightful way of behaviour. We're enjoying good weather while it lasts before the winter weather sets in.

Heads & Tails was enjoyed by all the children. The newspaper team challenge was a hit with the children. Getting their teams of 5 to the other side with two pieces of papers without touching the floor was the challenge, then create something with the paper in 5 minutes without using any cello tapes or scissors. What great creations and great team work.

Skipping and hula hoops is one that they either love it or they don't. During this term a mixture of junior and seniors have been asking each day for a skipping rope and a hula hoop.

Reward chart This term we've decided to keep to the individual rewards as it works better with our children.

First week we reminded the children of all the Oscar House Rules and the expectations.

I am currently in my third year at Victoria University and I'm gearing up to pursue Education next year. Teaching resonates deeply with me as I cherish the opportunity to positively influence Tamariki, particularly during their formative years. While in my personal time I relish outdoor activities and staying active, I'm discovering the boundless energy Tamariki possess, which is definitely keeping me on my toes! Settling into Oscar House, I've been captivated by the diverse personalities of your Tamariki and spending time with them has been the highlight of my days! They've welcomed me with kindness, openness, and an instilled sense of Manaakitanga! I eagerly anticipate getting to know each of them better. Ka kite. Cam.
