

# A DAY AT OSCAR House Junior Programme

## CHILDREN ARRIVE

3.00-3.10pm

The children arrive at OSCAR House.

Each child is greeted and signed in by a staff member.

Staff will collect new children for the first week of attendance; they will then get released by their teachers to walk over to OSCAR with their peers at 3pm.

They hang their bags on hooks. If children are booked into an external activity a staff member escorts them and picks them up at the specified time.

## MAT TIME &

AFTERNOON TEA 3.10-3.30pm

We have such fun during our talk time: we play games, read stories, have challenges and the children share about their days at school. We also use this time to celebrate birthdays and special events.

Afternoon Tea is a very important part of our daily routine. Yummy snacks are prepared for the children.

The children sometimes help staff with baking and make delicious
