

Each morning tamariki arrive with their whanau & greet staff. Staff will sign the tamariki in on the register.

During the morning the tamariki enjoy a variety of activities, this term a few of the things we have enjoyed are Painting, Baking, Squish mallow Craft, Quizzes, Clay, Mario Kart, Slime, Balloon Volleyball, Playdough & Skipping

On this morning, we practiced our Earthquake response

Our favourite free time activities are Music & Dance, Uno, Chess, Foosball, Colouring in Pictures & Building with Magnetics

At parents request we have breakfast; a choice of Wheat Biscuits, Ricies or Cornflakes

Near the end of the session, we tidy up & come together for a quick Whanau time. The tamariki are very involved in planning the activities

Daily Group games. We always ask for Spud (an indoor dodgeball style of game) & Hide and Seek

When we are new to school a staff member takes us to class then we are taken by a big buddy until we are confident to go on our own
